

Its All Coming Back To Me Now
Celine Dion

C **F**
There were nights when the wind was so cold
Dm **Am**
That my body froze in bed
C
If I just listened to it
G7 **F** **G**
Right outside the window
C **F**
There were days when the sun was so cruel
Dm **Am**
That all the tears turned to dust
C
And I just knew my eyes were
G7 **F** **G**
Drying up forever, forever
Em **F** **G** **C**
I finished crying in the instant that you left
Em **F** **G**
And I can't remember where or when or how
Em **F** **G** **F** **G**
And I banished every memory you and I had ever made

C
But when you touch me like this
G
And you hold me like that
F
I just have to admit
G
That it's all coming back to me
C
When I touch you like this
G
And I hold you like that
F
It's so hard to believe but
G
It's all coming back to me
C **F**
It's all coming back, it's all coming back to me now
Em **F**
There were moments of gold
Am **F**
And there were flashes of light
Em **F**
There were things I'd never do again

But then they d always seemed right
 There were nights of endless pleasure
 It was more than any laws allow
 Baby Baby
 If I kiss you like this
 And if you whisper like that
 It was lost long ago
 But it s all coming back to me
 If you want me like this
 And if you need me like that
 It was dead long ago
 But it s all coming back to me
 It s so hard to resist
 And it s all coming back to me
 I can barely recall
 But it s all coming back to me now
 But it s all coming back
 There were those empty threats and hollow lies
 And whenever you tried to hurt me
 I just hurt you even worse
 And so much deeper
 There were hours that just went on for days
 When alone at last we d count up all the chances
 That were lost to us forever, forever
 But you were history with the slamming of the door
 And I made myself so strong again somehow
