Loved Me Back To Life Celine Dion

Celine Dion Celine Dion - Loved Me Back To Life [Celine] G I was walking pisssed inside my head You couldn't get out Turn the lights down Voices inside are so loud. You did a jump start Gotta turn it on I couldn't feel, I wish that I could disappear The voices inside are so real. But you stood by my side. Night after night, night after night. You loved me back to life, life From the darkness the wait is over. You loved me back to life, life From the darkness, we're lovers again tonight. Back to life, back to life, back to life, back to life, yeah Warm me up one touch I'm on fire Love me back to life, back to life, but I died. The voices inside were so quiet. But you stood by my side.

Night after night, night after night.
