Celine Dion - Loved Me Back To Life

[Celine]

F **Bb**
I was walking pissed inside my head

F
You couldnâ€™t get out

Bb
Turn the lights down

F **Bb**
Voices inside are so loud.

F
You did a jump start

Bb
Gotta turn it on

F **Bb**
I couldnâ€™t feel, I wish that I could disappear

F **Bb**
The voices inside are so real.

F **C**
But you stood by my side.

C **C**
Night after night, night after night.

F **F**
You loved me back to life, life

F **C**
From the darkness the wait is over.

F **F**
You loved me back to life, life

F **C**
From the darkness, weâ€™re lovers again tonight.

F **F** **F**
Back to life, back to life, back to life, back to life, yeah

F **Bb**
Warm me up one touch Iâ€™m on fire

F **Bb**
Love me back to life, back to life, but I died.

F **Bb**
The voices inside were so quiet.

F **C**
But you stood by my side.

C **C**
Night after night, night after night.
