

**My Love**  
**Celine Dion**

**F#m**                      **E**              **A**  
My love we have seen it all  
**D**              **F#m**              **E**              **A**  
The endless confession the rise and fall  
**F#m**              **E**              **A**  
As fragile as a child  
**D**              **F#m**              **E**              **A???** **D**  
But lately Iâ€™m sorry I canâ€™t hold a smile

**A**                      **E/G**  
But I stand tall to get by  
**F#m**                      **C#**  
No matter how hard I try to hide  
**D**              **A/C#**                      **Bm**  
But did you know I take the time for you  
**D**              **A/C#**                      **Bm**  
Did you know that I would see you through  
**D**              **A/C#**                      **Bm**  
Did you know that I would play the part  
**G**                      **A**  
I must have made it clear right from the start

My love can you give me strength  
Somehow I forgot how to ease my pain  
I know Iâ€™m right where I belong  
Something for nothing ever proved me wrong

But I stand tall to get by  
No matter how hard I try to hide  
But did you know I take the time for you  
Did you know that I would see you through  
Did you know that I would play the part  
I must have made it clear right from the start

**E/G**                      **F#m**              **E**      **D**  
I would share my whole life with you  
**G**                      **A**      **E**  
Would you do the same for me  
**E/G**                      **F#m**              **E**      **D**  
I would give all I am to you  
**G**                      **A** **E**  
Would you do the same for me

**A**                      **E/G**  
And I will stand tall to get by  
**F#m**                      **D**  
No matter how hard I try to hide

**A**

Could you see I could break

**E/G**

Did you noticed all my mistakes

**F#m**

**C#**

There were times I could feel you in my mind

**D**

**A/C#**

**Bm**

But did you know I take the time for you

**D**

**A/C#**

**Bm**

Did you know that I would see you through

**D**

**A/C#**

**Bm**

Did you know that I would play the part

**G**

**A**

I must have made it clear right from the start
