My love can you give me strength  
Somehow I forgot how to ease my pain  
I know Iâ€™m right where I belong  
Something for nothing ever proved me wrong

But I stand tall to get by  
No matter how hard I try to hide  
But did you know I take the time for you  
Did you know that I would see you through  
Did you know that I would play the part  
I must have made it clear right from the start
