

Kindred Spirits
Celtic Thunder

Intro (Capo at II): (D, G, A, D)

D

The candlelight is fading

G

As I gently kneel and say

A

An Ave for my mother

D

As her spirit slips away

A way to join my father

G

And to share eternity

A

We call them kindred spirits

D

Now they will forever be

D

So now they re reunited

G

Smiling down from up above

A

As fondly we remember

D

The old house they filled with love

How even through the hard times

G

They were close as close could be

A

Just like the kindred spirits

D

They will forever be

E

Their love was as deep as the ocean

A

Flying higher than eagles would dare

B

As strong as the mountains in Donegal

E

As soft as a morning in Clare

D

I can see her in the kitchen

G

I can smell the baking bread

A

I can hear my father singing

D

As he tucked us in to bed

They shared the load together

G

They were proud as proud could be

A

And now those kindred spirits

D

Will share eternity

Instrumental: (**E, A, B, E**)

D

They shared the load together

G

They were proud as proud could be

A

They were always kindred spirits

D

And they will forever be

A

For now those kindred spirits

N.C.

D

Will share eternity
