

Open Roads

Cerys Matthews

Bb **Eb**
I took a ride on your fingertips
Ab
Heaven high with the thrill of it
Eb **Ab**
And in your eyes for a moment
Fm **Eb**
It s like we never said Goodbye
NC **Eb**
We took a walk for the hell of it
Ab
And we talked through the thick of it
Eb **Ab**
And in your eyes for a moment
Fm **Eb**
It s like we never said Goodbye

Ab
But something went wrong
Eb
You never came home
F#
And time takes so long
Bb
What are these tears we re crying?

Eb **Fm**
Cos I remember the open roads
Ab
Met at the corner where no one goes
Eb **Bb**
And no one mattered at a.....all
Eb **Fm**
And I remember the driving rain
Ab
Soaked to the skin these were perfect days
Eb **Bb**
And I remember it aa.....all

Eb
Friends is such a horrid word

I sit at home with the things I ve learned
Eb
You didn't phone

And in a different world
