

**Streets Bloom**  
**Céu**

Intro: **Gm Eb C D7**

**Gm F C Eb**

**Gm F C Eb**

**Gm F**

When I was walking in town

**D5**

This morning after months on the road

**Gm F**

I thought I m the memories

**D5**

All I have seen and what I ve done

**Gm F**

This cold just break my bones

**D5**

Why the sun is not strong enough?

**Gm F**

But the noise in my neighborhood

**D5**

Brought back the heat

**D7 Gm F**

Brought back the will

**C**

Telling to my friends

**Gm F**

Where I went and with whom I

**C**

Telling to my friends

**Gm F**

Where I ve been

**C Bb7+**

My steps on the dancefloor

**Eb D7 Gm**

Lit the lights of the nightclub

**F C5**

The avenue where I played

**Eb D7 Gm**

Was made of bricks from forest plants

**F C5 Eb**

And vans don t need no fuel to move through

**D7**

The streets bloom

**Gm Eb C D7 Gm**

When I die, I ll be not aware of who I am

**Eb C**

But I m more alive than ever

**D7**

To trace my way

Final: **Gm F C Eb**

**Gm F C**
