

**Everyones Gone To The Moon**  
**Chad & Jeremy**

EVERYONES GONE TO THE MOON

**D** **Bm7** **G** **A7**  
Streets full of people ...all alone ...

**D** **Bm7** **G** **A7**  
Roads full of houses ...never home ...

**D** **Bm7** **G** **A7**  
Church full of singing ... out of tune ...

**G** **F#m7** **D** **A7**  
Everyones gone ... to the moon ...

**D** **Bm7** **G** **A7**  
Eyes full of sorrow ...never awake ...

**D** **Bm7** **G** **A7**  
Arms full of money ... all in debt ...

**D** **Bm7** **G** **A7**  
Sun coming out ... in the middle ... of June ...

**G** **F#m7** **D** **A7**  
Everyones gone ... to the moon ...

**G** **A7** **D** **Bm7**  
Long time ago ... life had begun ...

**G** **F#m7** **D** **A7**  
Everyone went ... to the sun ...

**D** **Bm7** **G** **A7**  
Hearts full of mountains ...painted green ...

**D** **Bm7** **G** **A7**  
Mouthes full of chocolate ...covered cream ...

**D** **Bm7** **G** **A7**  
Arms that can hold me ... lift a spoon ...

**G**            **F#m7**                    **D**        **A7**  
Everyones gone ... to the moon ...

**G**            **F#m7**                    **D**        **A7**  
Everyones gone ... to the moon ...

**G**            **F#m7**                    **D**        **A7**  
Everyones gone ... to the moon ...

CHORUS G AND F#m7 are bar chordes
