Intro: **D A Em G**

**D A Em G**  
Here is the story about my first crush  
**D A Em G**  
An innocent tale that has no themes of lust  
**D A Em G**  
The priest had a daughter who looked very sweet  
**D A Em G**  
I went up to her and said, My names Chad Neidt

**D A Em G**  
She smiled and told me, I think were in luck,  
**D A Em**  
Then jumped in her bed and said, Its time to  
**Bm G D A**  
Pretend youre doctor and pretend Im sick  
**D A Em**  
You take care of me and then Ill suck your  
**Bm G D A**  
Hard banana flavored last candy runt  
**D A Em**  
Then you spread my legs and start rubbing my  
**Bm G D A**  
Skin with some lotion because its so dry  
**D A Em G**  
If youd do all that youd be my kind of guy!

**D A Em G**  
Later we both took a dip in the pond  
And started creating a romantic bond  
After we finished swimming in the mosh  
We agreed that we really needed a wash

She said, I think I know what we can do next  
Lets take off our clothes and then well have some

Showers in separate bathrooms that lock  
After were done Ill massage your big  
Shoulders so that your muscle pain will pass  
Then Ill stick your fingers right into my  
Chocolate mudslide cake I made today  
Youll taste it and tell me if it tastes ok!

After we cleaned ourselves up she declared  
That she knew there was something special we shared  
From there I began to caress her wrist  
Instinctually I went in for a kiss

She said, Hang on,

I have bad breath could you give me some gum  
Or into my mouth squirt a big load of  
Toothpaste that will clean my inner mouth walls  
So my tongue is clean enough to lick your  
Wrinkled and hairy yet massive armpit,  
She said, Im just joking now eat out my  
Heart by telling me that I am pretty;  
Oh fine Ill just say it please fuck my pussy

Thanks Everybody :D
