Verse 1:

G **C** **D**
I can hear the cries of the dead
G **C** **D**
Maybe it s your neighbour beating his dog in the basement
G **C** **D**
I can hear the cries of the dead
G **C** **D**
Muffled by the ground but still loud enough to make it out

Chorus 1:

A **D** **G** **D** **A**
Monkey-webs of concrete road disappear in time
A **D** **G** **D** **A**
Weeds and trees that grow from seed will cover us in time
G **D** **A**
Swallowing all of the buildings
G **D** **A**
And every single piece of trash

Verse 2:

I can hear the cries of the dead
Maybe its your neighbour playing his trumpet in the basement
I can hear the cries of the dead
Muffled by the ground but still loud enough to make a sound

Chorus 2:

You went to the mountains true and painted what you saw
You came back late and hid the painting underneath our couch
and I wasn't there when you made it
But I feel like I'm there when I'm lookin' at it

Bridge:

G (A) **G**

Ooh, ooh, ooh, ooh

D (E) **D**

Ooh, ooh, ooh, ooh

Verse 1:

I can hear the cries of the dead
Maybe it's your neighbour beating his dog in the basement.
I can hear the cries of the dead,
Muffled by the ground but still loud enough to make it out
