Strum Am and then..........

```
Bbm    F#                C#    G#          Bbm
They dumped her body into the molten light

F#               C#               G#        Bbm
Floated to the surface and it did not ignite

F#            C#        G#             Bbm
She rose up slowly and walked to the shore

F#                  C#         G#
She stood up on the bank and whispered

Bbm                      G#     Bbm
Iâ€™ll find you and Iâ€™ll kill you

Bbm                      G#     F#
Iâ€™ll find you and Iâ€™ll kill you

Am                  G    F     G.......then the rest of the lyrics
