Molten Light
Chad VanGaalen

Strum Am and then..........

```
Bm    G                 D     A          Bm
They dumped her body into the molten light

G               D               A      Bm
Floated to the surface and it did not ignite

G           D         A              Bm
She rose up slowly and walked to the shore

G                 D           A
She stood up on the bank and whispered

Bm                      A     Bm
Iâ€™ll find you and Iâ€™ll kill you

Bm                      A     G
Iâ€™ll find you and Iâ€™ll kill you

Am                      G    F     G.......then the rest of the lyrics
Iâ€™ll find you and Iâ€™ll kill you
```
