Coffee and Wine

Em **G**
Tommy, you know, he had one deaf ear
Am **Em**
Back from his minesweeping days
Em **G**
You never could tell just what he could and could not hear
Am **Em**
And he intended to keep it that way

G **C**
He joined the Navy just like his Daddy done
G **D**
When he was of the rightful age
Em **G**
He took off right quick like many a kid did
D **C**
When his parents took hard to the drink

Em **G**
And now it s coffee like it s fine wine, wine like it s water
D **C**
Any time s a good time, so go unlock your daughters
Em **G**
With his motorcycle friends, they re going off again
D **C**
From the Black Sea all the way to Britain,
Em
All the way to Britain

Em **G**
She was a dame of New Jersey fame
Am **Em**
Lived her life like it was a bourre game
Em
And if there were sides being taken
G **Am** **Em**
You better believe you wanna be on the side she was on

G **C**
She went to the city for secretary school
G **D**
Ended up working for the CIA
Em **G**
She had a short hand that didn t suffer no fools
D **C**

She intended to keep it that way

And she drank coffee like it s fine wine, wine like it s water
D Em C G
Any old time she could have any horse she wanted
Em G
And if you gonnaâ€™ ride then you ride it like you stole it
D C
From a steeple chase

She drank coffee like it s fine wine, wine like it s water
D Em C G
Boys tried to give chase, but no one ever caught her
Em G
Til she found her love, and Sheila didn t let Tommy
D C
Sleep for days

Their first meeting was hardly a word
D C
But he built her a harpsichord
C G Em
And he found her unconscious just inside the door
D
And carried her to help

Now every now and again
D C
She pretends to faint on the harpsichord bench
G Em
And he picks her up again and carries her
D
Up to their bed

And they drink coffee like itâ€™s fine wine, wine like it s water
D Em C G
Any time s a good time, â€™cause now they have a daughter
Em G
And she rides so fast, they said they gonna name her

From the Black Sea shore and the girl next door

D **C**

Who could ride

Em **G**

They drink coffee like it's fine wine, wine like it's water
