

Ghost Tonight
Chairlift

Tell me can you see
See the walls through me?
Because how could a love so crazy
Be so easy to ignore

Bm, A, G
Hollow heavy eyes, whoa whoa
Bm, A, G
Follow in your light, whoa whoa
Bm, A, G **F#m, A**
I m a ghost tonight , oh whoa whoa whoa

Bm, A, G, F#m
The starry night is clear
Bm, A, G, F#m
Can you feel me near?
Bm, A, G, F#m
Under the bed I disappear
Em, A
Like a secret that you know

Bm, A, G, F#m
Some wounds never mend
Bm, A, G, F#m
Lilies bloom and bend
Bm, A, G, F#m
White as teeth I swim beneath the
Em, A
footsteps in the hall

Bm, A, G
Hollow heavy eyes
Bm, A, G
Follow in your light
Bm, A, G **F#m, A**
I m a ghost tonight, oh whoa whoa whoa

F#m, E, G
Because my heart is a stone
F#m, E, G
until you make it right
F#m, E, G
I could live forever
A, G
Forever forever forever

Bm, A, G, F#m

So tell me can you see
Bm, A, G, F#m
See the walls through me?

Bm, A, G
Hollow heavy eyes

Bm, A, G
Follow in your light

Bm, A, G **F#m, A**
I m a ghost tonight, oh whoa whoa whoa

F#m, E, G
Because my heart is a stone

F#m, E, G
until you make it right

F#m, E, G
I could live forever

A, G
Forever forever forever

So tell me can you see
See the walls through me?
Because how could a love so crazy
Be so easy to ignore
