

Count The Shadows
Chameleon Circuit

F

The day is almost over and the sunlight is going

Eb

And the people walk through shadows completely unknowing

Bb

F

That there s something lethal in the air that they can t see.

F

Now a Time Lord could save me just by turning on a light

Eb

Although I don t think that the Doctor s gonna show up tonight

Bb

So I m trying to remember what the Library said to me.

F

F

Eb

Gotta focus on all the silhouettes that you can see

Bb

F

Cause if the number keeps on changing then you re no use to me.

F

So count the shadows,

Eb

Count the shadows,

Bb

Cause they re edging toward you

F

Like a hungry moth to a flame

F

Count the shadows,

Eb

Count the shadows,

Bb

Cause if you ve got more than one

F

Then you re the victim that they will claim.

F

In the Library the darkness is waiting to attack,

Eb

Some explorers went inside but they ain t never comin back,

Bb

F
Namely Miss Evangelista, Anita, and two guys called Dave.

F

And the shadows made four thousand other people disappear

Eb

And they've been hungry and waiting for a whole damn year

Bb

For some fresh meat that isn't gonna register as saved.

F

Then you're the victim that they will claim.

F-Eb-Bb-F x2

F

Invisible carnivorous aggressive armada

Eb

And they go by the name of the Vashta Nerada,

Bb

A thousand thousand million piranhas in the air.

F

And the tingle on your skin that you feel in the dark

Eb

Might be the hungry ones who contemplate leaving a mark

Bb

F

So when you're reaching for the light switch make sure you're prepared.
