

Doctor What
Chameleon Circuit

Intro: E (palm muted)

E*

My girlfriend thinks that I m a nutter,

C*

My parents say that I m an utter fool,

D*

E*

For wasting my time on this.

E*

But I m not chasing my imagination,

C*

I just can t help avoid my fixation,

D*

E

Cos I know that he really exists.

E

C

But if you look through time then you will find,

D

So many artefacts have been signed with clues,

E

All pointing his way.

E

And though he may have different faces,

C

I think it s him in all the cases,

D

The man is an enigma,

E

Who knows where he is today.

G

D

E

Just have a look at what I ve found and see,

G

D

E

Am I going crazy or is he following me,

G

D

E

You can find his legacy sketched throughout,

G

A

B

Though the history books always tend to leave him out.

E

G

He s called the Doctor

D

A

But Doctor What?

E

G

D

A

A

I think he s a Martian though I know that that s a long shot

E G

Doctor

D A

But Doctor When?

G

A

I ll check back to prehistoric times and there he is again

E G

Well that s the Doctor

D A

But Doctor How?

E

G

D

A

He saves the planet all the time but never stops to bow

E G

Oh mister Doctor

D A

But Doctor Who?

G

A

E*

And most importantly Doctor, how can I find you?

E*

C*

He takes danger with him everywhere he goes

D*

So if he does show up then we ll know

E*

That something s not right

E*

But I just can t help but think that I

C*

Would make a good companion by his side

D*

E

I m pretty bright, always polite, oh Doctor take me up tonight.

E

I know that I should get a grip

C

But I need to see inside his ship

D

E

And have him take me everywhere he gone.

E

Or at least I d like to meet the guy

C

To shake his hand and say goodbye

D

E

And thank him for all he s done

G D E

You can t deny aliens must be real

G

D

E

Well is it that hard to believe that some might be revealed to look like us

G **D** **E** **G**
Well I know it s just all speculation but I feel I must

A **B**
Try to trust in what I feel

E **G**
He s called the Doctor

But Doctor Who?

G **A**
And most importantly Doctor, how can I find you?

G **A**
I know to you I must look like some kind of Neanderthal

G **A**
While you re a flying cosmic genius and know-it-all

G **A**
I m just an insect, there s nothing I can do.

G **A** **B** **E** **G**
How could I expect that I would ever meet you Doctor!

D **A**
But Doctor What?
