Intro:**B?** **B??** **D** **D7** x2

**Bm** **F#**  
Itâ€™s been such a long time since I met you back on Skaro

**G**

And Iâ€™m pretty sure that you know

**E** **F#**  
That not much has changed since then

**Bm** **F#**  
It doesnâ€™t matter how hard you try to remove me

**G**

I think you will agree

**E**

That if one of us dies, then the other will too

**F#**

I am locked in war with you

**Bm** **F#**  
Exterminate, Regenerate

**G**

I thought you always knew our fate

**E**

To just keep fighting on and on

**F#**

While time keeps turning

**Bm** **F#**  
Regenerate, Exterminate

**G**

And even though we are the same

**E**

Why donâ€™t you hop into your ship

**F#**

And leave me burning

Instrumental: **D Cadd9 G** x2

**Bm** **F#**  
Even though, as men, we have our contrasts  
**G** **E**  
Weâ€™re of exactly the same class  
**F#**  
And our constant companion is death  
**Bm** **F#**  
Look at you, fashioning people into weapons  
**G**  
How can you say that youâ€™re better than me?  
**E** **F#**  
We both carry the fire, that is set to devour life  
  
**D** **Cadd9**  
We both carry the fire, that has the power to end life  
**G** **D**  
But what I do with that flame is what separates our types  
**Cadd9**  
If it takes till the end of reality to beat you  
**G** **D**  
Then ill be sure to meet you, at the exit of the world

Intro again: **B? B?? D D7** x2

**Bm** **F#**  
Exterminate, Regenerate  
**G**  
You know that it isnâ€™t too late  
**E**  
To end what seems impossible  
**F#**  
And leave time turning  
**Bm** **F#**  
Regenerate, Exterminate  
**G**  
And even though we arenâ€™t the same  
**E**  
Why donâ€™t you hop into my ship  
**F#** **E**  
And we can settle this  
**F#** **E**  
And we can settle this  
**F#** **E**  
And we can settle this, forever  
**F#** **E**  
Yeah we can travel time, together  
**F#** **E**  
We can settle this, forever

Chorus once more

End

Notes:

I got most of the chords down for this by painstakingly watching Dr Noise s  
cover videos

it but I think it

sounds right.let me know what you think at [samburns@blueyonder.co.uk](mailto:samburns@blueyonder.co.uk)

If someone could let me know what the chords used in the intro are I d be very  
greatful

remember DFTBA
