Chantal Kreviazuk-Before You

C / F / G

Baby before you Well I was bad news In letting me love you I think I can get through

Oh baby before you I was so scared I was a train wreck waiting to happen
On the way to nowhere

F / G

And now I think it\\ s kind of funny that you say you love me
You tell me that I\\ m crazy then you smile

G / C / F

And now I think I\\ ll get through The end of the world
Now I think I\\ ll get through Being a girl Now I think I\\ ll get through
Anything Now I think I\\ ll get through

Now honey around you I\\ m feeling so good Cause you picked me up out of the rough

And you polished me up and made me brand new Now baby before you ho ho
There was just a black hole Yah I was beat down blacked out

My darling you couldn\\ t even know But ever since I met you on a cloudy Monday

I can\\ t believe how much I love the rain

And now I think I\\ ll get through The end of the world And now I think I\\ ll get through

Life as a girl Now I think I\\ ll get through Anything Now I think I\\ ll get through

Ever since I met you on a cloudy Monday I can\\ t believe how much I love the rain

And now I think I\\ ll get through The end of the world And now I think I\\ ll get through

Life as a girl Now I think I\\ ll get through Anything Now I think I\\ ll get through
