C

Its hard to let you go

Bm

You ve always let me in

Am

And helped with all the endings

D

And you know where to begin

C

I need you here for me

Bm

Cause you always know my heart

Am

I cant believe we d change

D

Or have to be apart

CHORUS:

C

Bm

But if you ve seen the love that s in her eyes

Am - D G

Then everything is good

C

Bm

And if you know the way she felt inside

Am - D G

She s flying where she should

C

Bm

I never believed we d ever live to see

F C G

An angel being born and flying home

C

Its good to know your laugh

Bm

And you ll always hold my hand

Am

And watch from up in heaven

D

And always understand

C

We ll take you down the road

Bm

And in everything we do

Am

We ll know how much you love us

D

A soul that s kind and true.

CHORUS:

But if you ve seen the love that s in her eyes

Then everything is good

And if you know the way she felt inside

She s flying where she should

I never believed we d ever live to see

An angel being born and flying home
