No self-reliance
No social skills
You re confident

And you express yourself so well
You re learned
Degrees upon your wall
I m jealous
No invitations to the ball

This is the way God made me
This is the way God made me

Break:(repeat intro chords)

Verse 3:(same as before)

No self esteem
You re picture perfect
You walk about so contented
The trees call out your(freakin)name
You re clean and I m so ignorant
I m basic and I m jaded
And my excuses are so lame

Chorus: (same as before - continue repeating)

This is the way God made me
This is the way God made me
This is the way God made me
I think this is just the way I m meant to be yeah
This is the way God made me
Well there s no excuses it s just the way God made me
This is the way (hey yeah) God made me
It s just the way I am, it s just the way I am, It just the way I am.
