**C**

Well you looked so at peace

**Bb**

Trying to find real love

**F**

You hair was like a fire

**G**

Such a pretty woman

**C**

You were hiding out in the open

**Bb**

Searching so hard

**F**

For a kiss that lasts forever

**G**

There on the boulevard

chorus:

**C**

Do they use you?

**Bb**

And then use you?

**F**

**G**

When you get scared again?

**C**

**Bb**

They could never forget you

**F**

**G**

But they could say they said your name

**C-Bb-F-G**

Julia

(SAME CHORDS WITH THE 1ST STANZA)

Well there s gotta be somebody

Gets what it is you do

Knows about the business

Somebody who can see through

Someone unaffected

Someone unashamed

Of his woman being worshipped

When he s not in the frame

CHORUS:

Do they use you?  
And then use you when you get scared again?  
They could never forget you  
But they could say they said your name  
Julia

ENJOY!!!
