They must mean business To say there\\ s nothing worse
Than to let your precious love child Leave the planet first
           G
                                              Bb
Cause oh they\\ ve got to just let her go
                                                                G
All the things that you swear you\\ re gonna do
                                                 C
            Dm
    Reservations on the next train to the moon
                                                          Dm
                                                                     G
Dm
Pack your things ?cause there ain \\ t no time to lose
       G
                              And all the things you never
Cmaj7 / Fmaj7
So I think we/\ re gonna have to record her Sometimes against her will
We\\ re gonna keep her alive with black and whites Colour moving and still
                                                   Вb
And then oh they\\ ve got to just let her go
(Chorus)
F / C
Let her go
                                            ( Chorus & end )
