THIS YEAR

BY: CHANTAL KREVI AZUK

Tabbed by: Naeny430

(The recording that I had (Serendipity Soundtrack) was a half step higher so I just tuned my guitar up a half step to make it easier, so technically the key is D# or Eb)

(All chords are basic easy shapes, if you don t want to play Bm as a bar chord this is easier:

```
e|--2--|
B|--3--|
G|--4--|
D|--4--|
A|--X--|
E|--X--|
```

the bar chord sounds better though, ^_^ enjoy!)
