             D-A-Bm-G
                               D-A-Bm-G
Why did you leave me here alone?
                   D-A-Bm-G
D-A-Bm-G
Wait, don t go so fast
                 D-A-Bm-G
                                     D-A-Bm-G

                       Α
                                      D
Now I ve looked in the mirror and the worlds getting clearer
                  D-A-Bm-G
So wait for me this time
(SAME CHORDS WITH THE 1ST STANZA)
I m down I m down on my knees I m begging for all your sympathy
But you (I m just an illusion) you don t seem to care (I wish that I could)
You humble people everywhere (I don t mean to hurt you)
Now I ve looked in the mirror and the worlds getting clearer
I ll take what you give me. Please know that I m learning
                         D-A-Bm-G
            Α
So wait for me this time
Em
I should ve know better
Em
                  D
I shouldn t have wasted those days
             D
And afternoons and mornings
I threw them all away
D-A-Bm-G
                   D-A-Bm-G
Now this is my time
             D-A-Bm-G
                                  D-A-Bm-G
I m going to make this moment mine.
(I shouldn t have wasted those days)
