

Today

Chantal Kreviazuk

Am **FM7**

The sun hits your face, wide open space.

C **G**

Forest is bare, cut everywhere.

Am **F7M**

There s no one around, just the faces and clouds

C **G**

and a heart that s breaking.

Am **F7M**

You re not exactly where you re supposed to be,

C **G**

but tomorrow don t allow for guarantee.

Am **F7M**

So, today, today, today is the greatest day.

C **G**

Today is the greatest day.

Am **F7M**

Today, today, today is the greatest day.

C **G**

Today is the greatest day.

Am **F7M**

Chasing the crowd, all twisted around.

C **G**

It s not what you lost, it s what you ve found.

Am **F7M**

Eyes of a child, it s getting harder to smile.

C **G**

You re an angel on these streets.

Am **F7M**

You tell yourself you re not quite what you seem.

C **G**

But, one more chance and you will be redeemed.

Am **F7M**

Oh, today, today, today is the greatest day.

C **G**

Today is the greatest day.

Am **F7M**

Today, today, today is the greatest day.

C **G**

Today is the greatest day.

Am **F7M**

I don t know what you mean.

C **G**

And I don t know what you need.

Am **F7M**

You tell yourself you re not quite what you seem.

C **G**

But, one more chance and you will be redeemed.

Am **F7M**

Today, today, today is the greatest day.

C **G**

Today is the greatest day.

Am **F7M**

Today, today, today is the greatest day.

C **G**

Today is the greatest day.(X2)

Am **F7M**

Today, today, today is the greatest day.

C **G**

Today is the greatest day.
