Intro: **C#-G#-F#-**; (4x)

C#

You taught me everything

G#

F#

And everything you ve given me

I ll always keep it inside

C#

G#

F#

You re the driving force in my life, yeah

C#

There isn t anything

G#

F#

Or anyone that I can be

And it just wouldn t feel right

C#

G#

F#

If I didn t have you by my side

Ebm

You were there for me

C#

To love and care for me

G#

When skies were grey

Ebm

Whenever I was down

C#

G#

You were always there to comfort me

Ebm

And no one else can be

C#

What you have been to me

G#

You ll always be

C#

You will always be the girl

B pause

In my life for all times

Chorus

C#

G#

Mama, Mama you know I love you

F7

Oh you know I love you

Bbm G# G#m7, C#7 F#

Mama, Mama you re the queen of my heart

F7 Bbm

Your love is like tears from the stars

G# G#m7, C#7 F#

Mama I just want you to know

G# C#

Lovin you is like food to my soul

Interlude: **C#-G#-F#-**; (2x)

C#

You re always there for me

G#

Have always been around for me

F#

Even when I was bad

C# G# F#

You showed me right from my wrong

(Yes you did)

C#

And you took up for me

G#

When everyone was downin me

F#

You always did understand

C# G# F#

You gave me strength to go on

Ebm

There was so many times

C# G#

Looking back when I was so afraid

Ebm C#

And then you come to me and say

G#

I can face anything

Ebm

And no one else can do

C#

What you have done for me

G#

You ll always be

C#

You will always be

B

The girl in my life

(Repeat Chorus except last word)
