Butterflies, by Charity Children

<http://www.charitychildrenband.com/>

This is, as far as I can remember, the first song that I ve picked out the chords and lyrics to, so if there s anything wrong with it, please tell me and I ll fix it.

The chords are taken from their Berlin Session: <https://youtu.be/iSWYZXNnjMI>
Keep in mind that this song is played on an ukulele by Charity Children, so I m not 100% that it will sound like it should on a guitar, I m just giving you the chords they play in the video. (At least I think so. There s a small chance that the chords should be Dm's, but I don t think so though.)
