

Dress And Tie

Dress and Tie - Capo 2

This is a totally cool new song that came out only a few days ago sung by Charlene Kaye, featuring Darren Criss.

I recommend in the verses doing two strums per chord and in the chorus doing regular strumming pattern but it s up for you to decide. Anything sounds good. Email me if you think I got something wrong

(verse 1):

G **D** **Em**
Every night I walk the streets
C
Never dreaming what could happen
G **D** **Em**
Sad and so lonely I saw
C
In the mirror my reflection
Em **C**
Staring back at me
Em **C**
But will I ever find what I need

(chorus)

G **D**
But I ll wear that dress if you wear that tie
 Em
And baby, we ll dance through the night
 C
Cause no ones got we got going
G **D**
Happiness never held to me
 Em
Until you helped me see
C (single strum)
That together we re just better off

G D Em C

(verse 2)

Oh my hearts been tried
Em
Time and again
