

Love Divine All Loves Excelling
Charles Wesley

[Verse 1]

D Bm G A
Love divine, all loves excelling,
D Bm G A D
Joy of heaven, to earth come down,
D Bm G A
Fix in us Thy humble dwelling,
D Bm G A D
All Thy faithful mercies crown!
D Bm G A
Jesus, Thou art all compassion,
D Bm G A
Pure, unbounded love Thou art;
D G D A
Visit us with Thy salvation,
D D/F# G Asus A D
Enter every trembling heart.

[Verse 2]

D Bm G A
Breath, O breath Thy loving Spririt
D Bm G A D
Into every troubled breast!
D Bm G A
Let us all in Thee inherit,
D Bm G A D
Let us find the promised rest;
D Bm G A
Take away the love of sinning;
D Bm G A
Alpha and Omega be;
D G D A
End of faith, as its beginning,
D D/F# G Asus A D
Set our hearts at liberty.

[Verse 3]

D Bm G A
Come, Almighty to deliver,
D Bm G A D
Let us all Thy life receive;
D Bm G A
Suddenly return, and never,
D Bm G A D
Nevermore Thy temples leave.
D Bm G A
Thee we would always be blessing,

D Bm G A
Serve Thee as Thy hosts above;
D G D A
Pray, and praise Thee without ceasing,
D D/F# G Asus A D
Glory in Thy perfect love.

[Verse 4]

D Bm G A
Finish then, Thy new creation;
D Bm G A D
Pure and spotless let us be;
D Bm G A
Let us see Thy great salvation
D Bm G A D
Perfectly restored in Thee;
D Bm G A
Changed from glory into glory,
D Bm G A
Till in heaven we take our place,
D G D A
Till we cast our crowns before Thee,
D D/F# G Asus A D
Lost in wonder, love and praise.
