C **F**
Well I came in late again last night

G7 **C**
Really it was this morning

F
I had my alibi down pat

G7
I was gonna be charming

C **F**
But the locks were all changed I was stuck outside

G7 **C**
With a key that no longer fit

F
There was a note on the door that said

G7 **C**
Adios sayonara goodbye this is it

F
I don t think she s in love anymore

G7 **C**
She s hanging up the telephone and locking her door

F
I don t think she wants to hear any more of my lies

C **F**
I don t think she s in love anymore

G7 **C**
She s not buying my lies like before

F **G7** **C**
The only thing she wants out of me now is goodbye

F
So I went down to a phone booth

G7 **C**
Almost down to crying

F
All ready to spill the truth

G7
I see she s tired of my lying

C **F**
Well I was all ready to beg and plead

G7 **C**

And to turn over a brand new leaf

F

But the second she heard it was me on the line

G7

C

I heard click she hung up on me
