What Money Can t Buy
Recorded by Charley Pride

G **C** **G**
To watch the rain fall oâ€™er the fields and the valleys
C **G** **D**
Hear the thunder roar across the sky
G **C** **G**
See the sun s great shine through a wall without windows
C **G** **D** **G**
We hold hands and smile at what money can t buy

D **C** **G**
We have a mansion seen only by me and you
C **G** **D**
Our days without sunshine are few
G **C**
Weâ€™ve always loved even those who made us cry
C **G** **D** **G**
Cause we hold hands and smile at what money can t buy

C **G**
Our children are playing no shoes on their feet
C **G** **D**
And patch after patch upon their knees
G **C** **G**
Yet we hear only laughter and people ask why
C **G** **D** **G**
Cause we hold hands and smile at what money can t buy

D **C** **G**
We have a mansion seen only by me and you
C **G** **D**
Our days without sunshine are few
G **C** **G**
Weâ€™ve always loved even those who made us cry
C **G** **D** **G**
Cause we hold hands and smile at what money can t buy
