Caught In The Middle Charli XCX Αm G Em Our hearts got caught in the middle Caught in the middle of love. Am Our hearts got caught in the middle Caught in the middle of love. Am G Em Took the plane at five Flew across the world, I m the other girl Em F The one who s in your head Αm Em Laid there by your side In the city nights, naked in the lights Hiding secrets in your bed Αm G EmCause we try to turn around, but we can t stop it now. Em F Our hearts got caught in the middle, caught in the middle of love. You re stuck on my mind Push restart, press rewind. Am G Em F Our hearts got caught in the middle, caught in the middle of love. Am F Our hearts got caught in the middle, caught in the middle of love. Em Am G Lost inside the line Stare across the room, almost fallin through Em F Never make the same mistake Am G EmHarder every time Wish we could be true, always wantin you Em F We gotta stay a mystery  $\mathbf{Em}$ F Αm Oh, I m caught in the middle, caught in the middle of Αm EmF Cause we try to turn around, but we can t stop it now. F Our hearts got caught in the middle, caught in the middle of love.
