

Need Ur Luv
Charli XCX

I need your love I need it even when it hurts me. **A E Bm F#m**
I won't give up I won't give up, so come and get me. **A E Bm F#m**

Boy, you really messed around Put me six feet underground **A E Bm**
Always kick me when I'm down But I'm still driving through your town **A F#m Bm**

Try to fake it, I can't take it Boy you trapped my heart. **A E Bm F#m**
I can't shake it, bout to break into a hundred million parts. **A E Bm F#m**

I need your love I need it even when it hurts me. **A E Bm F#m**
I won't give up I won't give up, so come and get me. **A E Bm F#m**
I need your love I need it even when it hurts me. **A E Bm F#m**
I won't give up I won't give up, so come and get me. **A E Bm F#m**

Wish that you could wear my crown And feel the weight I'm feeling now **A Bm F#m**
But I can't help but say your name It's lightning when you're in my veins **A Bm F#m**

Try to fake it, I can't take it Boy you trapped my heart. **A E Bm F#m**
I can't shake it, bout to break into a hundred million parts. **A E Bm F#m**

I need your love I need it even when it hurts me. **A E Bm F#m**
I won't give up I won't give up, so come and get me. **A E Bm F#m**
I need your love I need it even when it hurts me. **A E Bm F#m**
I won't give up I won't give up, so come and get me. **A E Bm F#m**

A **E** **Bm** **F#m**
Boy, you really broke my heart Took my love and tore it up
A **E** **Bm** **F#m**
But I m coming back for you Coming clean out of the blue
A **E** **Bm** **F#m**
All the things you did to me I forgive them quietly
A **E** **Bm** **F#m**
But I will never forget Still I end up in your bed

A **E** **Bm** **F#m**
I need your love I need it even when it hurts me.
A **E** **Bm** **F#m**
I won t give up I won t give up, so come and get me.
A **E** **Bm** **F#m**
I need your love I need it even when it hurts me.
A **E** **Bm** **F#m**
I won t give up I won t give up, so come and get me.
