

Stay Away Acoustic
Charli XCX

Capo 4th fret

[Verse 1]

Am

You choke my throat

C

With words of wonder

F **Dm7**

You make it hard to breathe

Am

Your love s so cold

C

Just like an arrow

F **C**

Pierced through my skin, I bleed

[Pre-Chorus]

Dm

I knew you were no angel

Am

Em

But gosh, what did I do?

F **E**

Oh-oh-oh-oh

[Chorus]

Am

Do you remember what I said

C

That first time we met?

F **Dm7**

Stay away, why couldn t you stay away?

Am

I never needed anyone

C

But now that you are gone

F **Dm7**

Stay away, won t you just stay away?

[Bridge 1]

Am

Taking all my light and blocking out my vision

C

Bad little girl you have trapped in the prison

F

On my hands, on my knees, pulled on the chains

Dm7

Licking up the blood, yeah, I made this decision

[Verse 2]

Am

You took my light

C

Trapped in the prison

F **Dm7**

You threw away the key

Am

You are the curse

C

I am the captive

F **C**

Walking on hands and knees

D7

Never learn, never learn, never learn

[Pre-Chorus]

Dm

I knew you were no angel

Am

Em

But gosh, you re just electric blue

F **E**

Oh-oh-oh-oh

[Chorus]

Am

Do you remember what I said

C

That first time we met?

F **Dm7**

Stay away, why couldn t you stay away?

Am

I never needed anyone

C

But now that you are gone

F **Dm7**

Stay away, won t you just stay away?

[Bridge 2]

Am

C

F

Stay away, stay away, stay away, stay away, stay away

Dm7

Stay away, stay away, stay away, stay away, stay away

Am

C

F

Stay away, stay away, stay away, stay away, stay away

Dm7

Stay away, stay away, stay away, stay away, stay away

[Verse 3]

Am

I climbed the wall

C

To touch your shadow

F **Dm7**

I hear you call for me

Am

But you re not there

C

You re just an echo

F **C**

Why did you fall for me?

[Chorus]

Am

Do you remember what I said

C

That first time we met?

F **Dm7**

Stay away, why couldn t you stay away?

Am

I never needed anyone

C

But now that you are gone

F **C**

Stay away, won t you just stay away?

[Bridge 1]

Am

Taking all my light and blocking out my vision

C

Bad little girl you have trapped in the prison

F **Dm7**

Stay away, why couldn t you stay away?

Am

Taking all my light and blocking out my vision

C

Bad little girl you have trapped in the prison

F **C**

Stay away, Won t you just stay away?
