

Superlove
Charli XCX

(A C#m F#m E)

A C#m F#m E

You re whisky, wasted, and beautiful dancing through the fire.

A C#m F#m E

You re such a vision to see.

A C#m F#m E

I used to think that the power of love was just a song.

A C#m F#m E

But now it s got hold in me.

A C#m F#m E

S.O.S, is it me? or this is dangerous?

A C#m F#m E

Kill me with your touch You re soaked through my blood.

A C#m F#m E

R.I.P, set me free, yeah, this is dangerous.

A F#m C#m

I can t get enough.

D E

Wanna fall into your super love.

C#m D

Yeah my heart never wants it to stop, please save me.

D E

Cause I never seem to get enough,

C#m D

you re the bullet and you re making me drop Please save me.

D E

So give me all of your super love,

C#m D

Cause my body is so close to you, I m waiting.

D E C#m D

Dive here, and your arms falling there with you.

(A C#m F#m E)

A C#m F#m E

Feels like I m tripping, I m falling hard from the highest heights.

A C#m F#m E

When I crash where will you be?

A C#m F#m E

I think your hair looks much better pushed over to one side.

A C#m F#m E

How do you feel about me?

A C#m F#m E

S.O.S, is it me? or this is dangerous?

A C#m F#m E
You re my favorite drug, I smoke you in the car.
A C#m F#m E
R.I.P, what a dream, you re so damn dangerous.
A F#m C#m
I can t get enough.

D E
Wanna fall into your super love.
C#m D
Yeah my heart never wants it to stop, please save me.
D E
Cause I never seem to get enough,
C#m D
you re the bullet and you re making me drop Please save me.
D E
So give me all of your super love,
C#m D
Cause my body is so close to you, I m waiting.
D E C#m D
Dive here, and your arms falling there with you.

D E F#m E
Wanna fall into your super love.
D E F#m E
Cause I never seem to get enough.
D E F#m E
Give me all of your super love I m waiting.
D E F#m E
Dive here, and your arms falling there with you.

D E
Wanna fall into your super love.
C#m D
Yeah my heart never wants it to stop, please save me.
D E
Cause I never seem to get enough,
C#m D
you re the bullet and you re making me drop Please save me.
D E
So give me all of your super love,
C#m D
Cause my body is so close to you, I m waiting.
D E C#m D
Dive here, and your arms falling there with you.

D E
Wanna fall into your super love.
C#m D
Yeah my heart never wants it to stop, please save me.
