

What I Like
Charli XCX

F **Am** **C**
You call me up at six, come round undressing in my house again
F
Your T-shirt s on the floor
Am **C** **F**
Yeah we re undressing in my house again
Am **F**
You know just what I like.

F **Am** **C**
Used to come around, you ll be knocking on my front door
F **Am** **C**
Playing board-games, horror films with the secret door.
F **Am** **C**
Thought that you were cute from the start, yeah I m pretty sure
F **Am** **C**
You were like the medicine, the medicine I wanted more
F **Am** **C**
All along I wanted someone to laugh with
F **Am** **C**
Found the guy I want the rest of my life with
F **Am** **C**
Ha, we on some husband and wife shit
F **Am** **C**
I don t really care cause I know that I like it

Dm **Em** **Am** **Dm**
And when the clouds part open
Em **Am** **Dm**
When the last word is spoken
Em **Am**
When the last heart s been broken
G **F** **Dm**
We ll be sitting on your bedroom floor still smoking
Dm **Em** **Am** **Dm**

And when the clouds part open

Em Am Dm

F Am C

Oh now I got a plan, I hope you gonna be my man

I can see us crushy and my house right by the ocean sand

And when I m one to cry, I hope you gonna hold my hand

And when they shake us down, I hope you gonna make a stand

This shit is super wild, this shit is super cool

This shit is kinda gangsta, I think I m into you

This shit is super wild, this shit is super cool

This shit is kinda gangsta, I think I m into you
