E                      B                      C#              A  
You and i should get away for a while  
E                      B                      C#              A  
I just wanna be alone with your smile

E                      C                      C#              A  
By some candy and cigarettes and we ll get in my car  
E                      B                      C#              A  
We ll blast the stereo and we ll drive to madagascar

(chorus)

F#              A              E                      B  
Cuz when i m with you there s nothing i wouldn t do  
F#      A              E                      B  
I just wanna be yer only one

Skate on na veia dos irmão  
Skate on na veia dos irmão

F#              A              E                      B  
I m grasping at straws thinking back to what i saw  
F#              A              E                      B  
That night on the floor when we were all alone

Now, same stuff... different words

My love life was getting so bland  
There are only so many ways i can make love with my hand  
Sometimes it makes me want to laugh  
Sometimes i wanna take my toaster in the bath

(chorus)

F#              A              E                      B  
Cuz when i m with you there s nothing i wouldn t do  
F#      A              E                      B  
I just wanna be yer only one

F#              A              E                      B

I m grasping at straws thinking back to what i saw

F#                    A                    E                    B

That night on the floor when we were all alone
