

On My Way

Charlie Brown

not too advanced, but nice and clean version of the song, enjoy.

CAPO 2

Intro:

C , G , Am , F

C

Move in circles at night

G

You ve given up the fight

Am **F**

Like the streets that you re always walking on

C

You died inside

G

And you don t know why

Am **F**

So you try to turn the light on

C

But stand up and never say never

G

Cause this life is gonna get better

Am **F**

Take a breath, shake it off and say

I m on my way

C

You been down and feel so fed up

G

When they tell you, you might not get up

Am

Might not be on top of the world but hey

F

Here s what you say

C

You might work but I work harder

G

You might fight but I fight smarter

Am **F**

Might not be on the top of the world but hey

I m on my way

C
You might fly but I fly higher
G
You re so hot but I m on fire
Am **F**
Might not be on top of the world buy hey
C
I m on my way ay
G
I m on my way ay
Am
I m on my way ay
F (stop strumming)
I m on my way
I m on my way

(for the rest of the song continue with the same chords and same strumming pattern)

C , G , Am , F

All alone in your bed
You tried when you said
What you said
Yeah you poured your heart out
But nothing s changed
Still a picture in a frame
And you try but you just can t break out, no

But stand up and never say never
Cause this life is gonna get better
Take a breath, shake it off and say
I m on my way

You been down and feel so fed up
When they tell you, you might not get up
Might not be on top of the world but hey
Here s what you say

You might work but I work harder
You might fight but I fight smarter
Might not be on the top of the world but hey
I m on my way
You might fly but I fly higher
You re so hot but I m on fire
Might not be on top of the world but hey
I m on my way

So stand up and never say never
Cause this life is gonna get better
Take a breath, shake it off and say
I m on my way

You might work but I work harder
You might fight but I fight smarter
Might not be on the top of the world but hey
I m on my way

You might fly but I fly higher
You re so hot but I m on fire
Might not be on top of the world but hey
I m on my way ay
I m on my way ay
I m on my way ay
I m on my way ay
I m on my way ay
I m on my way ay
I m on my way ay
I m on my way ay
I m on my way ay
I m on my way ay
