

**Bookstore Girl**  
**Charlie Burg**

[Verse]

**Bm** **G**  
In the back of the room  
**A** **C#**  
It was there that I saw you  
**F#m** **B**  
In a shirt that you wore  
**Em7** **A7**  
Knowing I d be in the store

Then you left, down the stairs  
**G** **A** **C#7**  
Follow you I wouldn t dare  
**F#m** **B7**  
I accepted my fate  
**Bm** **E7** **A** **A7**  
That I d never see your face again, again

[Chorus]

**D** **Em** **A** **F#** **Bm**  
Oh bookstore girl, I wonder what your name is

Oh bookstore girl, I feel a sudden urge to

[Verse]

Going back, just to see

If still in the store you d be

Reading only the books that you d recommend to me  
**Bm** **Em** **A7**  
Knowing more than just your name  
**G#m** **F#m**  
It wouldn t be the same  
**B** **Bm**  
Remaining fantasy
