Verse:

**Am**     **D**     **Em**     **C**  
God as we walk this world,  
**Am**     **D**     **Em**  
We want to be a sign

Our prayers flow into love,  
**Am**     **D**     **Em**  
Giving your life

Pre-Chorus:

**Am**     **D**  
Broken but sing-ing  
**Am**     **D**  
Our hearts keep shining

Chorus:

**G**  
Let my life shine, come and let my heart shine  
**Em**     **C**  
Weâ€™re going to walk the world and lift the bread and wine  
**Am**  
Like the stars shine, come and let our hearts shine  
**C**  
In a dark world, we lift the bread and wine

Verse 2:

**Am**     **D**     **Em**     **C**

Born for this day and time  
**Am**     **D**     **Em**     **C**  
Our prayers flow into love  
**Am**     **D**     **Em**  
Giving our lives
