

Light Breaks In
Charlie Lim

[Verse]

DMaj7 **G**
Tiptoe round the wreckage of desire
Em **DMaj7**
No harm no foul, just hear me out
DMaj7 **G**
Staring blankly ahead across from me
Em **DMaj7**
The water s calm, she reels me in

[Chorus]

Em
Deep in the night
D/F#
Is that where you are
Em
Hand to the sky
A
I ll grab a fistful of stars
Em A
Deep in the night

[Verse]

DMaj7 **G**
Have we been thirsting by the fountain side
Em **DMaj7**
Come settle down, no room for doubt
DMaj7 **G**
We ll cherish every night in our crooked sleep
Em **DMaj7**
The years go by, the light breaks in

[Chorus]

Em
Deep in the night
D/F#
Is that where you are
Em
Hand to the sky
A
I ll grab a fistful of stars
Em A
Deep in the night
