

**One True Love**  
**Charlie Major**

[Intro]

**G C G C G C C/B Am**

[Verse 1]

**G C**  
I need someone to take me  
**G C**  
In their arms and hold me tight  
**G C**  
Someone to whisper softly in my ear  
**G C**  
Tell me everything s alright  
**C G**  
Someone who won t come and slip away  
**C G**  
Undercover of the night  
**Am Am7 C**  
Somebody who ll be there by my side  
**Am Am7 C G**  
When the last star fades into the morning light

[Chorus]

**C G**  
One true love in this life  
**C G**  
One true love is hard to find  
**C C/B Am**  
One true love somewhere in this world  
**C C/B Am D**  
There s one true heart for me  
**G C Am C**  
One true love

[Verse 2]

**G C**  
I need someone to talk to  
**G C**  
And with my secrets I can trust  
**G C**  
Someone to share with all my dreams  
**G C C/B**  
And won t be quick to judge  
**C G**  
Someone who feels such a part of me  
**C G**  
Like my own flesh and blood  
**Am Am7 C**

Somebody who s end is my beginning

**Am** **Am7** **C** **G**  
In the darkness when we come together as one

[Chorus]

**C** **G**  
One true love in this life  
**C** **G**  
One true love is hard to find  
**C** **C/B** **Am**  
One true love somewhere in this world  
**C** **C/B** **Am** **D**  
There s one true heart for me  
**G** **C** **Am** **C**  
One true love

[Bridge]

**C** **C/B** **Am** **D**  
Many a night with many a lover I ve laid me down  
**C** **C/B** **Am** **D**  
Many a night I ve been so close but I still haven t found

[Chorus]

**C** **G**  
One true love in this life  
**C** **G**  
One true love is hard to find  
**C** **C/B** **Am**  
One true love somewhere in this world  
**C** **C/B** **Am** **D**  
There s one true heart for me  
**G**  
One true love

**C** **Am7**  
Somewhere in this world  
**C** **C/B** **Am** **D**  
There s one true heart for me  
**G**  
One true love  
**C** **G**  
One true love  
**C** **G**  
One true love  
**C**  
One true heart  
**G** **C**  
Aww one true love for me

[Outro]

**G** **C** **G** **C**
