G* **D***
You re my favorite animal, but I m biased I guess
Em* **C***
Because you look quite a bit like me
G* **D***
You re not as eloquent and you ve a hairier chest
Em* **C* D***
But I can t pick my family

G **D**
As I shake your hand I can feel your grip
Em **C**
And it s definitely firmer than mine
G **D**
They say a strong handshake shows the man is equipped
Em **C** **D**
But if I called you a man I d be crossing a line

Em
You re an animal
C D
You re not like me
Em
You re an animal
C D
I have dominion over thee

G D Em C
G D Em C

G
You might be my cousin
D **Em** **C D**
But I don t know if you could be my friend

G

Cause you don't seem the person on

D Em C D

Which when I'm in need I could depend

G

In fact when I look closer

D Em C D

You don't seem like a person at all

G

Do you have opinions?

D

Do you keep morals?

Em C D

Do you even have a soul?

Em

You're an animal

C D

You're not like me

Em

You're an animal

C D

Oh what a silly thing to be

G D Em C

G D Em C

G D

And when I look at you

Em

Do you know what I see?

D*

I see me

C

I see me

D

Cause when I look at you

Em

Yeah I can't help but see myself

D C D

Next to you in the tree

G* D

You're my favorite animal, but I'm biased I guess

Em* C*

Because you look quite a bit like me

G* D*

And when I stand to admire you I can't help but confess

Em C D

That your mannerisms fill me with glee

G **D**
You re partial to bananas, and I m munching on chips
Em **C**
That I m sharing with the friend by my side
G **D**
You peel it from the bottom, concentrating as you sit
Em **C** **D** **C**
Break it in two and pass half to the friend you re beside

Em
You re an animal (oowaaa)
C
You re just like me (oowaaa)
Em
Cause I m an animal (oowaaa)
C **D***
We re of the same biology

G **D** **C** **D**
Oh mister monkey man, I ve got a favor can t you see
G **D** **C** **D**
I was wondering if you would make a monkey out of me?
