Intro: **F#**, **Bbm**, **B**, **Dmaj7**, **Bm**

VERSE I:

F# **Bb** **B** **Bm**
This is my face on my head on my shoulders
F# **Bb** **B** **Bm**
With eyes and a mouth and a nose
F# **Bb** **B** **Bm**
With a lie on my tongue and a weight on my back
F# **Bb** **B** **Bm**
And a fidgeting twitch in my toes
Dmaj7 **Bm** **F#**
But this isn't me anymore

PRECHORUS I:

F# **Bb** **B** **C#**
These are my arms around you, though you're reluctant
F# **Bb** **B** **Bm**
And my fingernails, I can't help but bite
F# **Bb** **B** **C#**
My face is in my hands, but I'll change in seconds
F# **B#** **B** **Bm**
As my smile returns and I remember tonight
Dmaj7 **Bm** **F#**
And I find that I'm me once more

CHORUS:

B **F#**

Cos this is the me that I like to be

Bb **D#sus** **D#**

Charisma quick wit and charm

B **F#**

But that side of me rarely likes to be

Bb **Ebm**

In the face of causing harm.

B **F#**

Can you see my fear as you disappear

Bb **D#sus** **D#**

Into someone else's arms

B **F#**

Or are you unaware that the me you care for

Bb **Ebm**

Isn't really me at all

Dmaj7 **Bm** **B**

This is me.

VERSE II:

These are my hands, on my arms, on my conscience

With fingers that shake while they strum

And this is you, in my head, regardless of whether I want you there

And thoughts that I tried to avoid have already begun

And I can't feel myself anymore

PRECHORUS II:

These are my fingers typing, to no avail

As I try my best, to let you down

But I've just so much to do, and I can't help but force you

To the bottom of my lists and block out the sound

This isn't the me I want to explore

Bridge:

B F# Bb D#sus D#maj B F# Bb

CHORUS

B **F#** **Bb**
This is me, this is me. Oh this is me, this is me

B **F#** **Bb**
This is me, oh this is, this is me.

B **Bm** **F#**
Da da da daa da da daa da.
