If he s the one that s always on your mind  
**C** **G**  
The only one who s love can satisfy  
**C** **G**  
If he s the one that keeps your heart alive  
**D7** **G**  
Who am I who am I

**D7** **G** **C**  
Am I no more than just a rock you needed for a stepping stone  
**G**  
Until the right one came along  
**C** **G**  
If he s the one that lives with you inside  
**D7** **G**  
Who am I who am I

**D7** **G** **C**  
Am I no more than just a fool that held you up when you were down  
**G**  
Until your true love could be found  
**C** **G**  
If he s the one that lives with you inside  
**D7** **G**  
Then who am I who am I  
**D7** **G**  
Yes who am I who am I
