

Left Right Left
Charlie Puth

Intro:

D Em G Em D

verse

D

Oh I been hurting lately

Em

I down on all my luck

G

Em D

Sometimes there no one there by your side

D

I don deserve this baby

Em

But I know that I can give up

G

Em D

Tough times I just take them in stride

refrão

D

Em

Mmm, I almost there, only one more step

G

Em

D

Left, right, left, right, left

D

Em

I moving on, I got no regrets

G

Em

D

Left, right, left, right, left

verse

D

Em

I said times are changing, tell me how can I keep up

G

Em D

Every time that I turn around there a wall

D

Em

But I climbing daily, until I see the top

G

Em D

And I get up right after every fall

D

When you brokenhearted

Em

And you lost without me

G

Em D

Yeah you gotta walk alone, yeah it true

D **Em**
Flash every smile cause I been lost for miles
G **Em D**
I know you felt this way before too

refrão

D **Em**
Mmm, I almost there, only one more step
G **Em D**
Left, right, left, right, left
D **Em**
We re moving on, we got no regrets
G **Em D**
Left, right, left, right, left
D A Bbdim7 Bm
Woah, left, right, left, right, left
G D A
Woah, left, right, left, right, left
D A Bbdim7 Bm
Woah, we almost there only one more step
G D Em D
Woah, left, right, left, right, left

Bridge

G A
Mmm I know it looks like it too far
Bm A G D/F#
But it nothing compared to how far we come
Em A
Walking down this boulevard
Bbdim7 Bm A G
When the darkest times come right before the sun

refrão

D **Em**
We almost there baby one more step
G **Em D**
Woah, left, right, left, right, left
D **Em**
We moving forward and there no regrets
G **Em D**
D A Bbdim7 Bm
Woah, left, right, left, right, left
G D A
Woah, left, right, left, right, left
D A Bbdim7 Bm
Woah, we almost there only one more step
