

My Gospel
Charlie Puth

C#m

I d stroll into a bank and put a ski mask on

B

And walk out with a million bucks

C#m

Then I d burn it in a pile out on your front lawn

B

Just to prove it didn t mean that much

C#m

I d sell everything I own, take a pile of cash

B

Walk into the casino, blow it all on black

A

Then blow all of my winnings on a limousine

B

To make out with you in the back, hey

C#m

B

A

I m not afraid to look insane

B

Cause I m crazy about you

C#m

B

There s nothing that I won t do

A

Just to make you love me, love me, love me

B

C#m

B

Throw away my pride for you

A

Just to make you love me, want me, trust me

B **C#m**

Baby, I know I m not ashamed

B

Just need you and I could care less

A

If everyone knows I m your fool

B

C#m

B

Girl there s nothing that I won t do

A

B

Just to make you love me, love me, love me

C#M

I d buy a couple red-eye

B

One-way tickets to Paris doing first class rate

C#M

Then I d carry your body to the top of the tower

B

To kiss your lips at midnight

C#m

Then we ll wander through the streets and drink champagne

B

Get drunk and start singing in the pouring rain

A

I ll acapella karaoke Sexy Thing

B

Cause baby I feel no shame

C#m

B

Say this whole world can know you re all I need

A

Cause baby some day I ll drop

B

C#m

And hit one knee and tell you

B

A

I m not afraid to change your name

Cause I m crazy about you

B

C#m

B

There s nothing that I won t do

A

Just to make you love me, love me, love me

B

C#m

B

Throw away my pride for you

A

B

Just to make you love me, love me, love me

C#m

B

Hey, ah-ah-ah-ah-ah

A

Throw myself out of every jet plane

B

Hundred feet a second just screaming your name

C#m B

Ah-ah-ah-ah

A

I see the cop car turn blue lights on

B

Pick you up driving around til dawn

C#m B A
I m not afraid to look insane

B
Cause I m crazy about you
