

Youre Not The Best
Charlie Robison

Capo 2

C **C7** **F** **C**
Once I had a little girl as pretty as I have knowns
C **D** **G||**
Lord, you know I loved her so and then she let me all alone-i
F **C** **F**
And I swore here on this barstool I d never make that mistake again
F **C** **G** **C**
Well you ain t so fine but you re all mine and I ll love you till the end

Chorus:

F **C** **F** **C**
So darlin don t you worry cause they say love is blind
F **C** **D** **G**
Lust has eyes like an eagle it s gonna drive me outta my mind
F **C** **F**
Though my eyes sometimes wander it doesn t mean that I m untrue
F **C** **G** **C**
You re not the best but you re the best that I can do

You know a pretty girl she ll leave you, leave you to drown in your own tears
You know any ugly girl well, she ll leave you too but then again who really
cares
And them eyes of blue they cannot be true they ll have to stay here in my dreams
I guess that s why old Hugh Hefner invented Playboy Magazine

So, sit down here beside me girl and I will tell you what we will do
We re gonna twist them lids and hope our kids look more like me than you
And when that bottle is finally empty, we re gonna tumble across the floor
And I m gonna pray my imagination is gonna pull me through once more

Chorus

You re not the best but you re the best that I can do
