

All At Once

Charlie Simpson

Capo 1

G D C

G D C

G

Some of us will live our lives

D C

Like we are just living life on the run

G

Some of us will die in our old age

D C

Others of us will die young

Em D

But sometimes it feels like I am just

C G

Getting so many things wrong

Em G

It feels like I m walking down my last mile

D C

And my God, it just feels so long

G D

Please just slow it down

Bm C

I m walking off these years

G D

Please just slow it down

Bm C

Cause I can t stand the tears

G D

But I would not expect you to understand it

Em

Cause things never turned out the way we planned it

C

I just hoped that I would know you

And I never have to walk this world alone

G D

I would not expect you to ever notice

Em

You never had the time to be overjoyed with me

C

If you could hear me now, yeah

Then I wouldn't want to lose it all at once

G G

Some of us will live our lives

D C

Like we are just dragging our heels through the night

G

Some of us will stay in the darkest holes

D C

And some of us will find the light

Em D

But sometimes it feels like I am just

C G

Getting so many things wrong

Em G

It feels like I'm walking down my last mile

D C

And my God, it just feels so long

G D

Please just slow it down

Em C

I'm walking off these years

G D

Please just slow it down

Em C

Cause I can't stand the tears

G D

But I would not expect you to understand it

Em

Cause things never turned out the way we planned it

C

I just hoped that I would know you

And I never have to walk this world alone

G D

I would not expect you to ever notice

Em

You never had the time to be overjoyed with me

C

If you could hear me now, yeah

G

Then I wouldn't want to lose it all at once

G
